

Year 2 – Learning News

Autumn 2

We are reading....

Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Properties of 2D and 3D shapes
- Adding and Subtracting 2 digit numbers
- Addition & Subtraction across 10
- Missing Number Problems

Science

Living Things in their Environments
Habitats: rainforest, desert, meadow, and underground habitats. Food chains, oceans and undersea habitats, deep ocean habitats and habitat destruction and damage.

In English I am learning to...

- Write simple, coherent narratives about personal experiences and those of others (real or fictional).
- Write about real events, recording these simply and clearly.
- Demarcate most sentences in their writing with capital letters and full stops and use question marks correctly when required.
- Use present and past tense mostly correctly and consistently.
- Use coordination (e.g. or/and/but) and some subordination (e.g. when/if/that/because) to join clauses.

Our PE days are Tuesday & Wednesday

Home Learning

- To help your child with their learning at home you can....
- Read with them three times a week.
 - Support them to practice spellings through Spelling Shed
 - Practice number fluency on Times Tables Rock Stars.

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

WHAT IS THE GOOD NEWS JESUS BRINGS?

Geography

Spatial Sense
Develop conceptual understanding of maps.
Substantive concepts: location
Disciplinary understanding: focus on cartographers and how they create maps based on the world around us.
