

Year 4 – Learning News

Autumn 2

We are reading....

Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Addition & Subtraction with exchanges
- Area of shapes
- Multiplication & Division 3, 6 and 9 times tables

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

WHAT KIND OF WORLD DID JESUS WANT?

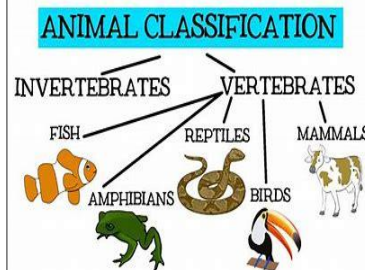

In English I am learning to...

- Use more varied tenses used eg. perfect form.
- Use of punctuation for direct speech mostly correctly.
- Use of commas to mark clauses.
- Extend sentences using a range of conjunctions appropriate to the genre.
- Edit work on the run and make additions and corrections to their own writing.
- Spell most words from the Years 3/4 list correctly.
- Writing is joined and legible.
- Some use of fronted adverbials to add interest, followed by a comma.
- Use of punctuation for direct speech.

Science

Classification of Plants and Animals

Cold-blooded or warm blooded, vertebrates or invertebrates, characteristics of animal classes, classification of plants.

Home Learning

To help your child with their learning at home you can....

- Read with them three times a week.
- Support them to practice spellings through Spelling Shed
- Practice number fluency on Times Tables Rock Stars.

Geography

Mediterranean Europe

Location in the world and key places. Geographical features: topographical features, climate, forestation, agriculture, economic activity, natural resources, population distribution.

Our PE days are Monday & Tuesday
