

Year 5 – Learning News

Spring 1

We are reading....

Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Multiplication & Division
- Decimals & Percentages
- Properties of shape, Position & Direction
- Multiplying Fractions

Science

The Big Bang theory, gravity, the Universe, our Solar System, the moon and our galactic neighbourhood. Gravity and its impact
Visit to National Space Centre

In English I am learning to...

- Make use of figurative language for effect.
- Explore different formats to present non-fiction for reader appeal.
- Select vocabulary more precisely, especially more sophisticated synonyms.
- Use some use of fronted adverbials to add interest, followed by a comma.
- Use of punctuation for direct speech is accurate, including commas.
- Vary sentence starters considering the placement of subordinating clauses.
- Write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (eg first person in a diary, direct address in instructions or persuasion).

Our PE days are Wednesday & Friday (Swimming)

Home Learning

To help your child with their learning at home you can....

- Read with them three times a week.
- Support them to practice spellings through Spelling Shed
- Practice number fluency on Times Tables Rock Stars.

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

DO RELIGIONS CHANGE OR DO THEY STAY THE SAME?

History

- The Industrial Revolution
- What was the the Industrial Revolution
 - Cotton Production
 - Steam Engines and Trains
 - Iron and Coal
 - Children at Work
