

# Year 6 – Learning News

## Spring 1

### We are reading....

### Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Ratio & Statistics
- Algebra
- Fractions, Decimals & Percentages
- Area, Volume & Perimeter

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

**HOW MIGHT YOUR WORLDVIEW  
IMPACT ON THE WAY YOU  
UNDERSTAND DEATH?**

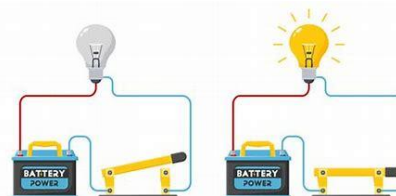

### In English I am learning to...

- Write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (eg first person in a diary, direct address in instructions or persuasion).
- In narratives, describe settings, characters and atmosphere.
- Integrate dialogue in narratives to convey character and advance action.
- Select vocabulary and grammatical structures that reflect what the writing requires, doing this mostly appropriately (eg using contracted forms in dialogue, passive use of verbs, using modal verbs to suggest degrees of possibility).
- Use a range of devices to build cohesion (eg conjunctions, adverbials, pronouns, synonyms) within and across paragraphs.

### Science

Electricity

Brightness, buzzers, voltage, switches, simple circuits, and symbols.

### Home Learning

- To help your child with their learning at home you can....
- Read with them three times a week.
  - Support them to practice spellings through Spelling Shed
  - Practice number fluency on Times Tables Rock Stars.

### History

World War II

- The Armistice and the Treaty of Versailles
- The Rise of the Nazi Party
- Life in Nazi Germany
- Kristallnacht and the Refugee Crisis
- The Second World War

**Our PE days are Tuesday  
& Thursday**
