

# Year 6 – Learning News

## Autumn 2

### We are reading....

### Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Compare and Order Fractions
- Add and Subtract Fractions
- Multiplying and Dividing Fractions
- Securing written arithmetic methods

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

*How do beliefs and ideas about land shape the way human beings live?*

### In English I am learning to...

- Write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (eg first person in a diary, direct address in instructions or persuasion).
- In narratives, describe settings, characters and atmosphere.
- Integrate dialogue in narratives to convey character and advance action.
- Select vocabulary and grammatical structures that reflect what the writing requires, doing this mostly appropriately (eg using contracted forms in dialogue, passive use of verbs, using modal verbs to suggest degrees of possibility).
- Use a range of devices to build cohesion (eg conjunctions, adverbials, pronouns, synonyms) within and across paragraphs.

### Science

Classification of Living Things  
Classifying organisms, plant and animal cells, fungi, protists, Monera, taxonomy, Latin names, vertebrates

### Home Learning

- To help your child with their learning at home you can....
- Read with them three times a week.
  - Support them to practice spellings through Spelling Shed
  - Practice number fluency on Times Tables Rock Stars.

### Geography

In this unit we will explore British Geographical Issues exploring how fragile our planet is. We will also explore the local context of school. We will explore issues such as fossil fuels (and their distribution) as well as challenges to the world including air pollution, waste, and climate change.

**Our PE days are  
Wednesday & Thursday**
