

Year 6 – Learning News

Autumn 1

We are reading....

Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Place Values
- Addition & Subtraction
- Multiplication & Division
- Fractions

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

HOW CAN FOLLOWING GOD BRING FREEDOM AND JUSTICE?

In English I am learning to...

- Write effectively for a range of purposes and audiences, selecting language that shows good awareness of the reader (eg first person in a diary, direct address in instructions or persuasion).
- In narratives, describe settings, characters and atmosphere.
- Integrate dialogue in narratives to convey character and advance action.
- Use a range of devices to build cohesion (eg conjunctions, adverbials, pronouns, synonyms) within and across paragraphs.
- Use verb tenses consistently and correctly throughout their writing.

**Our PE days are
Wednesday & Thursday**

Science

The Human Body
The circulatory system, the heart, the blood vessels, the blood, blood pressure and heart rate, changes to humans as we get older.

Home Learning

- To help your child with their learning at home you can....
- Read with them three times a week.
 - Support them to practice spellings through Spelling Shed
 - Practice number fluency on Times Tables Rock Stars.

History

This unit builds on chronologically from children's learning in Year 5 and allows children to apply their knowledge of Britain before the war to develop a deeper understanding of the causes and consequences of World War I on Britain, and the wider world. This unit focuses on developing two key substantive concepts: Empire and War.
