Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Counting
- Subitising
- Composition of numbers
- Comparing numbers and groups of objects

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

How can people show they belong together?

In English I am learning to...

- recognise and say single letter sounds.
- Follow a rhyming string of words.
- Orally blend sounds together to say a word eg c-a-t 'cat'.
- Hold a pencil correctly.
- Form my letters correctly.

Marvellous me...

- Who am I
- What makes me marvellous
- My fabulous family
- What keeps me healthy
- How can I help others?

Home Learning

- To help your child with their learning at home you can....
- Read with them three times a week.
 - Support them to practice getting dressed and putting shoes on independently.
 - Practice counting to 5 and 10 in different ways (jumping, steps, putting plates out for dinner).

Our PE day is Wednesday

Understanding the World

Exploring seasonal change; what happens in autumn in the natural world? How do different animals prepare for the winter? What celebrations and festivals happen in the autumn and winter?
