

Year 3 – Learning News

Autumn 1

We are reading....

Maths

In maths we will be learning a range of fluency, reasoning and problem-solving skills taking the following topics;

- Place Values
- Tens & Ones
- Addition & Subtraction
- Multiplication & Division

Science

The Human Body
The digestive system, teeth and senses, a healthy diet, nutrition, vitamins and minerals, skeletons and muscles for support, protection and movement.

In English I am learning to...

- Write effectively and coherently for different purposes, drawing on their reading to inform the vocabulary and grammar of their writing.
- Make use of paragraphing and organisational devices to structure writing.
- Use co-ordination and subordination to extend sentences (eg when, if, because, although).
- Make simple additions, revisions and proof-reading corrections to their own writing.

Our PE days are Monday & Friday

Home Learning

- To help your child with their learning at home you can....
- Read with them three times a week.
 - Support them to practice spellings through Spelling Shed
 - Practice number fluency on Times Tables Rock Stars.

In RE each half term we will be exploring a big question through a world view. Our question this half term is...

WHAT IS IT LIKE TO FOLLOW GOD?

History

This topic introduces children to the idea of 'prehistory'. It is important that all children understand that 'prehistory' means a time before written records, and they know that archaeologists find out about the past from what people left behind. Children will explore the period from the Stone to Iron age.
