

Messages from the Head Teacher

As we journey through the season of Lent, our school community has been taking time to reflect on how we can support others and live out our Christian values each day. Pupils have been engaging in thoughtful discussions about kindness, compassion, and service, considering how even small actions can make a meaningful difference to those around them. It has been wonderful to see children demonstrating these values in their interactions and contributions to school life.

We are proud of the way our pupils are embracing opportunities to make our school a more caring and inclusive place. Whether through acts of generosity, helping a friend, or showing respect to others, these daily choices reflect the spirit of Lent and the values we aim to nurture in our community.

On Friday 27th March, we will be holding an Easter Bonnet Parade. All children are welcome to take part if they wish. Please bring in your child's Easter bonnet on the day so they can share it with the school community. We are very much looking forward to seeing the children's creativity and celebrating their wonderful designs together.

We have also been busy improving our outdoor areas for the children. This includes developing our forest school and pond areas, as well as giving the playground a much-needed revamp. We have introduced zoned areas of play at lunchtime, which has had a very positive impact on the children's experiences. Our younger children, in particular, have really enjoyed opportunities for role play and dressing up. If anyone has any unwanted dressing-up clothes at home, we would be very grateful for any donations.

This is the final week of after-school clubs for this term. There will be no clubs running next week due to staff training. Information about the new range of clubs will be sent out next week and will need to be booked via the MCAS system. We are pleased to share that children have been involved in helping to decide the clubs they would like to take part in after the Easter holidays.

Over the next couple of weeks, children will be visiting our local library to further develop their love of reading. Dates for upcoming visits are on the reverse and these will take place during the school day for approximately one hour. If you have any questions, please speak to your child's class teacher.

We are also pleased to share that Stretton will be hosting a HAF Holiday Camp over the Easter holidays. The days will be packed with fun games and activities, and children will also receive a hot meal. If you would like your child to attend, please scan the QR code on the reverse of this newsletter to book your place.

20 Day attendance Challenge!!

We have set the children a challenge today to be in school every day for the next 20 days! If they are in every day on the last day before Easter there will be a super fun inflatable reward!

After two weeks we have seen a huge increase in our attendance with whole school attendance this week being 94.4% this week.

Well Done Everyone!
